CHARGING STATION

Need a boost for your tablet or phone? Power up anytime virtually anywhere with the built-in 4000 mAh back up battery power station. Its dual charging ports allow you to charge up to two devices simultaneously.

BUILT-IN BLUETOOTH SPEAKER

Instantly upgrade your device speaker with seamless Bluetooth 4.1 built in. Designed with sound quality in mind, this stereo delivers impressive power with up to 8 hours of continuous play.

WEATHER TESTED

Proven to protect your devices. Our revolutionary fabric is tested to withstand your most rigorous activities.

VALUABLES POCKETS

Its TSA-compliant laptop compartment lets you breeze through security, and strategically placed external pockets provide access to your phone and cards in tight quarters. There's also an included active tablet window so you can use your tablet while it's inside your bag safe and protected. A hidden water bottle pouch provides superior style and design, and a protected rear pouch to secure your valuable items. Jambag offers a complete solution for everyday life.
